

UNITED STATES PATENT

Granted on February 24, 2015

**Jason E. Leedy, MD**

INVENTOR

D 723,164

BREAST IMPLANT SIZER

The  
United  
States  
of  
America

*The Director of the United States Patent and Trademark Office has received an application for a new, original, and ornamental design for an article of manufacture. The requirements of law have been complied with, and it has been determined that a patent on the design shall be granted under the law. Therefore, this*

**United States Patent**

*Grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the design throughout the United States of America or importing the design into the United States of America for the term set forth by law.*

*Michelle K. Lee*  
Deputy Director of the United States Patent and Trademark Office
